www.intecon.co.uk

Based in the UK, **Inteconn** is a well-established global company, boasting an exceedingly strong, wide and indispensable range of PPE and outdoor equipment; with craftsmanship that surpasses expectation in the European and US markets. With over 20 years of manufacturer experience, we are proud to have an ethos of providing high-quality products, competitively priced, with a professional service. Beyond this, our ambition is unparalleled; we strive to be at the forefront of protecting customers for generations to come with our ever-expanding range. Our tenacity, married with experience, has entrenched our status as a global leader in the design and manufacture of stylish, comfortable and high-quality PPE and Outdoor equipment that meets stringent European and US standards. We take great satisfaction in protecting people globally with our extensive and unique range, bridging the gap between Europe and Asia at the benefit of the customer.
